Gentlemen: On January of this year I purchased from your company, through Mr. Bailey, eighty (80) acres of upper valley land, located about one and one-half miles south of New Mexico, forty (40) acres of which was in alfalfa.

Mr. Bailey represented to me at the time that the forty acres in alfalfa would more than take care of the payments with interest. I have realized more from the forty acres than claimed for by Mr. Bailey, and am more than pleased with the investment as well as the conscientious treatment received at the hands of your company.

Yours very truly, M. L. Jones, Manager Great Western Oil Co.
